JULY AND AUGUST NEWSLETTER 2023

MESSAGE FROM THE DIRECTOR MRS. SHABANA SYED

Dear Parents,

We had an amazing 2022-2023 school year and we celebrated our Graduation. Alhamdulillah five kids have moved on to Kindergarten and I wish them the very best for their future. I hope that you have enjoyed a restful and relaxing summer!

I would like to extend a warm welcome to our new and returning students and families. I am eager to see you again on the first day of school, August 7th, 2023. During my tenure at LA Preschool, we have had many hours of good discussion about how we can work together to ensure that my students are receiving an education that supports and empowers them as they strive to reach their full potential as young men and women of faith, intelligence and goodness. I have been working hard to strengthen and enrich our academic program and put systems in place that will facilitate teacher/family communication in the classroom. I believe that each child has his or her own special gifts and talents waiting to be discovered. I look forward to seeing those gifts emerge as we progress through another exciting year.

2023-2024 will be another strong year as I have planned great activities and events not just for the kids but also for our families. We all want our children to grow up happy, healthy, and thriving – and building strong social skills is a key part in achieving this. At my preschool, I recognize that sharing, making friends, and problem-solving are crucial components for a child's overall development. In our classroom, we strive to incorporate social interactions into every aspect of our students' schedule and routines. I implement a variety of techniques, such as talking about emotions which showcases different feelings, displaying photo prompts throughout the classroom to encourage sharing, and facilitating games that require taking turns. Additionally, I serve as a role model, demonstrating gratitude and socially appropriate behaviors throughout the school day.

Learning At Home Activities: Bathtub Animals

Have your child fill the bathtub with their favorite stuffed animals and toys. Supervise them as they let their imagination run free! Are they on a boat in the middle of the ocean? In a spaceship heading to Mars? Encourage them to think outside the box!

Estimated Time: 30 minutes

Materials:

Your child's favorite stuffed animals and toys

Subject: Imagination

YOGURT PARFAIT

In tall glass (so you can see the layered effect) layer the following ingredients in order.

- Flavored yogurt of choice
- Granola or dry cereal
- Sliced or cut up fruit of choice

Layer on top of each other until glass is full.
